AUSTRALIAN GEOGRAPHIC SOCIETY AWARDS NOMINATION CRITERIA.

**Please ensure your nominee is aware of these criteria
before submitting this form.**

1. You must supply the name and contact details of a person who is willing to provide a written testimonial to support your nominee's achievements. The provider of the testimonial must have suitable and relevant credentials to be able to support the nomination in that they must be recognised as an achiever in a related field of endeavour.
2. Please include links to web pages or media coverage that might help support your nomination or attach any relevant documentation.
3. All awardees are expected to travel to Sydney to be present for the presentation of the award. AGS will cover expenses for doing so in that they will make available a set amount of money to assist with travel and accommodation in the event that a winner has to travel from outside of Sydney. The awardee will be able to bring a guest to the award ceremony at no charge.
4. We expect that the awardee will participate in the promotional campaign run in conjunction with the award and the awards event including media interviews and photo opportunities.
5. We expect that the awardee will participate in a post award event in the form of a public talk or other similar forum for which the AGS will cover travel and accommodation expenses.
6. We expect that the winner will participate in the production of a video or audio conversation on the topic of their achievements.
7. We expect that the awardee will make available to AGS, video and stills to be used in the event itself and also made available to the wider media. This material must be cleared for use by the awardee and supplied to AGS as a priority as soon as possible after the awardee has been informed of the award.
8. In the event that your nominee is not selected for an award, AGS is not able to enter into any correspondence on the decision making process and outcomes.
