8. COVID-19 UPDATE:

Mandatory Vaccinations from October 2021

Until further notice: from 1st October 2021 Insight Australia Travel will require that all participants on our tours must be fully vaccinated with a Therapeutic Goods Administration (TGA) approved vaccine against Covid-19. Before boarding a tour, you will be asked to produce a vaccination certificate/passport (digital or otherwise) that is acceptable to Australian Federal and/or the relevant State/Territory jurisdictions through which you are traveling with us.

You must carry or have access to this certificate at all times during your journey with us and show it to any person in authority who asks to see it e.g. police or public health officials.

Covid Safe Plan

Insight Australia Travel has produced a comprehensive Covid Safe Plan to ensure protection of guests and staff from the Covid-19 strain of Coronavirus. Please be assured that we will have done everything in our power before the tour to ensure that when you join us you should not come into contact with Covid-19.

However, the nature of the virus is that it is almost impossible to stop it from moving through the community – only diligent hygiene controls and contact tracing appear to reduce its movement. With your help we can work together to ensure that the virus is not passed on as a result of our tours.

The following is an overview of the immediate requirements of that plan:

Before joining a tour, you must:

- provide evidence of being double-dosed with an approved Covid-19 vaccination (see above)
- advise us if you have any of the following COVID-19 symptoms or have had any of these symptoms in the 14 days prior to the tour.

COVID-19 SYMPTOMS

- Fever
- Sore throat
- Cough
- Tiredness
- Difficulty breathing
- Body temperature exceeding 37.3 degrees Centigrade

Your temperature may be tested before you join a tour or at any time during the tour. This will be done using a non-invasive method.

To protect and prevent any risk of COVID-19 infection within the community Insight Australia Travel will not provide services to anyone who does not have an approved vaccine certificate and we may not provide service to anyone experiencing the above symptoms.

If on the date of travel our staff determine that a customer is displaying the above symptoms, or you refuse to provide a vaccine certificate, allow us to take your temperature or refuse to wear a mask, you will not be able to enter our vehicle and your tour will be cancelled. This may also apply to any other guests that are travelling with you.

If you do not agree to provide a vaccination certificate, allow a temperature test or fail to wear a facemask or refuse to comply with any reasonable Covid-19 related requirements (as determined by Australian Federal or State/Territory Law or Regulations) you will be unable to join our tour and we will not offer you a refund.

You must adhere strictly to the Covid Safe Plan requirements provided by our staff/guides before and during the tour. These may include, but are not restricted to:

- social distancing
- the wearing of full mouth and nose covering masks (you MUST bring your own mask)
- the use of hand sanitiser (we will have sanitiser on board but you should bring your own too)
- using the same seat throughout the trip
- contact tracing information
- sharing equipment with other people on the tour

9. Amendments

Should the COVID 19 pandemic, weather conditions or operational requirements necessitate an alteration or postponement of the itinerary (or any of its inclusions), IAT reserves the right to amend the accommodation and or service providers as necessary. The Client will be advised of any changes to the proposed itinerary or inclusions at the time of booking, or as soon as reasonably practicable.

10. Liability

IAT in its' capacity as an agent, disclaims any responsibility or liability for any loss, damage, accident, change of schedule or other irregularities caused by, or arising from, circumstances beyond its control.

The Client authorises IAT to book all accommodation, airlines, excursions, recreational activities, and transport operators on their behalf as their duly appointed agent.

The Client accepts that IAT at all times acts only as an agent for all accommodation, airlines, excursions, recreational activities, and transport operators and that IAT is not liable in relation to any of these principles' services. All bookings are made subject to the terms and conditions and limitations of liability imposed by the Supplier/s.

IAT does not warrant the performance of any Supplier/s and the Client releases IAT from any liability for any loss or damage, cost or expense (including without limitation any property damage, death or personal injury), suffered by the Client which arises from any act or omission of a Supplier/s or failure by a Supplier/s to meet the Client's expectations.

IAT does not accept liability where passengers fail to arrive on time for any element of their journey due to delayed flights, bad weather, accidents or third party arranged rail, ferry or coach service or travel of any form. IAT will pass on additional costs if they arise due to a delay.

IAT will not incur any liability for airfares purchased by travel agents or clients. In the event that a tour is cancelled, IAT cannot be held responsible for airfare conditions, cancellation fees or other penalties on any airfare purchased.

In circumstances beyond the control of IAT, or if found to be in the best interest of all concerned, IAT reserves the right to alter or cancel any component of the itinerary and/or substitute services with or without notice. Every endeavour will be made to reimburse the Client for any cancelled components, however refunds remain at the sole discretion of IAT.
