ITINERARY CHANGES

The itinerary may differ from when you first booked your trip. We will send you the final version of the itinerary prior to your arrival. Due to some unexpected circumstances at times, for example, bad weather and road conditions, technical defects of transportation, inconveniences caused by local operators and authorities, and other circumstances beyond our control, changes in the program may be required to make the best of the unique situations that we encounter. Your tour leader will keep you up to date with any changes once on tour. Our described itineraries are to be used as a general guide only.

ESSENTIAL TRIP INFORMATION

IMPORTANT NOTES

Below are some ideas and helpful tips on what you specifically need for this trip.

ESSENTIALS

- The weather can change in an instant. You will need to bring a mixture of lightweight clothing and warm layers. Clothes should be easy to wash and dry.
- Well worn walking boots with ankle support and tread, head torch, and day pack. You will receive a comprehensive gear list for this tour.
- Sun protection – hat, sunscreen, sunglasses.

RECOMMENDED

- Personal medical kit. A larger kit will be on hand with your tour leader, but we recommend you carry items such as mild pain killers, electrolytes, Band-Aids and insect repellent.
- Water bottle. We recommend at least 3L capacity.
- Camera with spare batteries.

LUGGAGE LIMIT

Please keep your luggage to a minimum. One small soft-sided bag plus a day pack (no more than 15–20kg in total per person) is essential. You'll also need a day pack/bag to carry water, camera and jacket, etc. when you're exploring during the day. We recommend against bringing hard/externally framed suitcases as they are difficult to store in the vehicle and can damage equipment and other travellers' belongings.

TRAVELLING ON A GROUP TRIP

We ask you to be understanding of the various needs and preferences of your group – patience with your fellow travellers is sometimes required for the benefit of everyone's travel experience. Remember too that you have responsibilities to the group. If you are requested to be at a place at a certain time, ensure that you don't keep the rest of the group waiting. Sharing

a room can be a great way to get to know people quickly and make close friends. Due to privacy reasons we are unable to provide you with contact details and any personal information about your fellow travellers booked on your trip prior to departure.

TRAVEL INSURANCE

Australians are not required to be covered for hospital care due to being covered by Medicare. However we strongly recommend that Australians have a domestic travel insurance policy which covers personal liability, cancellation, curtailment and loss of luggage and personal effects. It is also strongly advisable that Australians have current ambulance cover in the case of emergency evacuation or incidents requiring ambulance transportation.
